**GOOD MORNING:** We invite you to join us each Sunday, 9am at our worship center. We have eased our protocols from "requirement" to "personal choice" 1) Wearing your mask is no longer a requirement if you are vaccinated. Please feel free to wear one if that makes you feel more comfortable. The CDC guidelines ask that you wear a mask for your protection if you are not vaccinated or if you happen to have a slight cold. 2) Social distancing of six feet will no longer be in effect. Nonetheless, when you arrive at church, seating can be well-spaced. 3) Serving coffee after worship will resume for the month of July. We will be adding snacks in August. 4) As for greeting one another you are urged to be respectful of another's personal space. If you are a hugger, it is a good idea to ask: "May I give you a hug?" Some may still be at the elbow or fist bump stage of greeting; others are no longer comfortable shaking hands. The important thing is for us to respect one another and to be assertive in indicating with what we are most comfortable. As we adjust we will continue to invest in the well-being of one another, our faith community, and the larger community as well. Welcome back and may God Bless us in our life together..
